

WAKE FOREST TENNIS

CREATING A STATE-OF-THE-ART TENNIS COMPLEX

Wake Forest's vision for the Tennis Project is to create a unique tennis complex that would not only provide a first-class training facility for our men's and women's tennis programs, but also serve as a host facility for collegiate & professional tennis tournaments as well as an ideal venue for local and regional entertainment. The facility will have a significant impact on both Wake Forest and the entire Winston-Salem community.

This state-of-the-art tennis complex which will be built as part of the Deacon Boulevard athletic complex will incorporate the existing Indoor Tennis Center while adding the following:

- 13 outdoor courts
- Outdoor stadium court that will double as an entertainment venue
- Enhanced grounds with landscaping & seating areas
- Easy access to both BB&T Field and Wake Forest Baseball Park

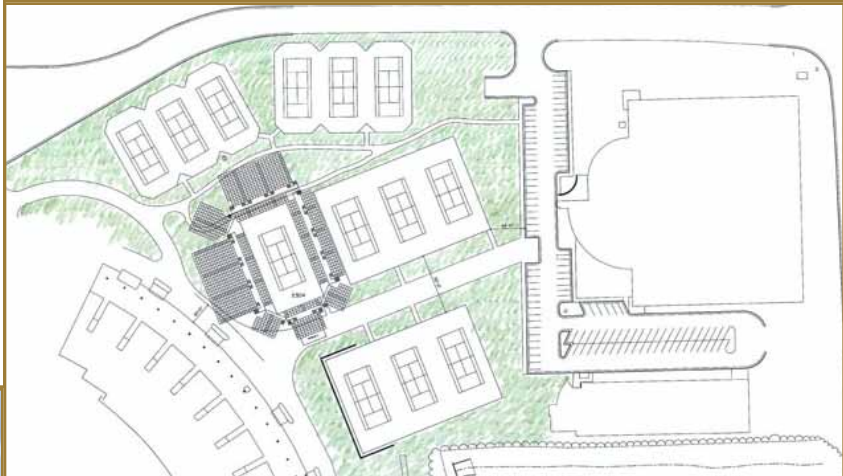

The Wake Forest Tennis Complex will benefit both the collegiate tennis programs and local community in a variety of ways:

Collegiate Tennis

- Recruiting advantage
- Competitive advantage
- Ability to host ACC and NCAA tournaments

Local Community

- Increased awareness of city and WFU through exposure provided by tournaments
- New entertainment venue
